

Hermanus Botanical Society Established in 1960

Hermanus Botaniese Vereniging Gestig in 1960

FRIDAY EVENING TALKS

Our next talk is on Friday 21 June at 17h30 for 18h00

Fiona Sym will be our guest speaker

RHYTHMS OF LIFE - Tuning into nature's rhythms

Fiona has been studying astrology since she was thirteen years old, and producing her astrological Moon calendar for twenty five years.

Fiona has a passion for growing her own food and has been planting by the Moon for over thirty years. She loves to share the knowledge she has accumulated over the years, and regularly gives public talks on her favourite subject, the Moon.

Fiona is also a professional Yoga and meditation teacher, and teaches in Fernkloof Nature Reserve three times a week, in the gardens and in the hall.

Save the date:

Friday, 19 July
